

What will I find when I visit Highland Park's preschool department?

We are located in the Children's Building, Ground floor, with easy access to parking and a covered breezeway.

- Parking attendants are available to assist you and provide "taxi" service to and from your car if needed.
- Our building is secure with one main Doorway and only one other emergency exit.
- Twelve, large, colorful rooms are equipped with age appropriate materials, furniture, and play items.
- There is a private breastfeeding room adjacent to our Newborn Nursery
- Children from Birth up to age 3 are promoted developmentally; Newborns, Creepers, Toddlers, Younger 2's, Older 2's
- Each room is equipped with a "just my size" potty and restroom, or diaper changing area, an intercom system, a window view in each door, outer windows, and individual cubby holes for each child
- Our outside playground is equipped with a fun jungle gym, large play area, and riding area.
- Teachers and Workers have access to a fully equipped Resource Room, Laundry Room and Pantry.
